Attachments:

- 4 copies of the dissertation into which a signed declaration confirming the following must be bound:
 - that apart from the supervisor's guidance the content and design of the thesis is all the doctoral candidate's own work;
 - whether the thesis has already been submitted either partially or wholly as part of a doctoral degree to another examining body and whether it has been published or submitted for publication;
 - that the thesis has been prepared subject to the Rules of Good Scientific Practice of the German Research Foundation;
- a short description of the scientific career with details of nationality, hometown and course studied;
- supporting documents for the required studies (according to section 6 of doctoral degree regulations) with the associated diploma and any other certificates of institutions of higher education (if not already submitted together with the registration for the doctoral thesis);
- a current certificate of good conduct ("Führungszeugnis zur Vorlage bei einer Behörde nach § 30 Abs. 5 BZRG, Verwendungszweck: Promotion", not older than 6 months, to be requested at the residents' registration office ("Einwohnermeldeamt"))
- two suggestions from the supervisor for possible second referees and
- a written statement from the supervisor, that clearly identifies the candidate's own contribution, when the thesis includes already published works, which are collaborations between several authors.
