Yes No

I am aware that

- I can cancel my registered examinations **during the registration and cancellation period** either online or in writing by submitting the relevant form.
- I can only withdraw from examinations for a **valid reason** (e.g. illness) **after the end of the registration and cancellation period** (for written examinations up to 8 days before the examination date, for all other types of examination up to **08.03.2020**). Examination withdrawal notices must be submitted without delay.
- I am obliged to check **my admission to examinations for which I am registered** during the **review dates** of **19.03. - 20.03.2020** via the 'Studierenden-Online-Funktion' (online tool for students) or the Examination Office notice board and immediately report any discrepancies to the relevant Examination Office!
- I am obliged to view my **examination results** during the week in which examination results are published (**18.05. - 22.05.2020**) via the Studierenden-Online-Funktion or the Examination Office notice board and that I have up to one month after the end of this week to appeal against the results; otherwise I irrevocably accept these results.

Declaration pursuant to Section 9 (6) Examination Procedure Regulations of Kiel University (PVO):

I hereby declare that I have not lost my examination entitlement and am not currently in an examination procedure for the same or a similar degree programme at another institution of higher education.

Date, Student's signature
