## Cancellation of registration for an examination in the 2nd examination period (23.03. - 04.04.2020), winter semester 2019/20

(Cancellation period: for written examinations up to 8 days before the examination date, for all other types of examination up to **08.03.2020**)

*Please submit to the Examination Office of the relevant examination subject*

Degree Programme (both subjects, if applicable)	<input type="checkbox"/> 1-subject Bachelor <input type="checkbox"/> 2-subject Bachelor <input type="checkbox"/> 1-subject Master <input type="checkbox"/> 2-subject Master
Registration number	
Surname, first name	
Current telephone number	

**I hereby cancel my registration for the following examination:**

Examination subject	
Module code/module name	
Name of the course	
Type of examination	
Examiner	

**I am aware that**

1. I am obliged to check the cancellation of my registration for the examination during the review days of 19.03. – 20.03.2020 via the 'Studierenden-Online-Funktion' (online tool for students) or the Examination Office notice board and immediately report any discrepancies to the relevant Examination Office!
2. I must accept that this cancellation may result in my studies extending beyond the standard period of study.
